All residential dwellings shall use the City of Fremont's Refuse Disposal and Recycling Services. For the purpose of this rule, residential dwellings are defined as single-family dwellings, condominiums and mobile homes. #### CONTAINERS, TAGS & STICKERS

- A. APPLIANCES** - Each appliance must have an **Appliance Sticker** securely attached to it and it must be placed curbside Tuesday morning before your regular pickup time. If an item is too big, the driver will pick it up the next day. *Examples: washer, dryer, stove, air conditioner, dehumidifier, humidifier, television, microwave oven, etc.*

Prior to a refrigerant-based appliance being picked up, a certified refrigeration specialist must remove the refrigerant (such as Freon) at the resident's cost and a sticker certifying same must be placed on the outside of the unit to be removed. *(For your convenience, Reliable Appliance Repair (Owners: Dennis & Nancy Bengtsson) at 231- 854-1078 and Tri-City Refrigeration (Gary Bunce) at 231-924-6221 do handle removal of refrigerants from such appliances. The City offers these contacts only as information, and not as an endorsement or guarantee of their work.)*
